

## Statistics for the SDGs - indicators for national priorities

|                              |  |
|------------------------------|--|
| Name of the indicator        | <b>11.5.b Number of dwellings completed by public building societies and municipalities in urban areas per 1 thous. population</b>   |
| Sustainable Development Goal | Goal 11. Sustainable cities and communities  |
| Priority                     | Fulfillment of housing needs of urban population by building a universal and accessible housing market, including the development of social housing  |
| Definition                   | Number of social rental and municipal housing completed in cities per 1 thous. urban residents.  |
| Unit                         | pieces   |
| Available dimensions         | total  |
| Methodological explanations  | <p><b>A dwelling</b> - a space for permanent residence of persons, built or remodelled for residential purpose; structurally separated (by permanent walls) within a building, consisting of a one or several rooms and auxiliary spaces (i.e.: foyer, hall, bathroom, toilet, wardrobe, pantry, hiding place), into which a separate access leads. A dwelling in residences for communities is understood as a premises, which is designated for the permanent residence.</p> <p>Information regarding completed dwellings concern all dwellings, i.e. dwellings in new or expanded residential or non-residential buildings (less than half of the total useful floor area is intended for residential purposes).</p> <p><b>Completion of a dwelling/building</b> - according to the building law - means that the investor reported completion of its construction to the proper building control authorities and this body has not reported an objection (through a decision) or that the investor has obtained permission for use of this dwelling/building (through a decision) from the building control authorities.</p> <p><b>Municipal construction</b> - housing construction primarily with a social or intervention character, realised entirely with gmina funds for the residential needs of low-income households.</p> <p><b>Social rental housing</b> - housing construction implemented by Social Housing Assosiantions operating on a "non-profit" basis using a loan from Bank Gospodarstwa Krajowego.</p> |
