

## Statistics for the SDGs - indicators for national priorities

|                              |   |
|------------------------------|---|
| Name of the indicator        | 2.1.a Agricultural Orientation Index for government expenditures (AOI)  |
| Sustainable Development Goal | Goal 2. Zero hunger   |
| Priority                     | Support for structural transformation ensuring increase in competitiveness of agricultural holdings and agri-food producers   |
| Definition                   | Share of central government expenditure allocated to agriculture in total central government expenditure, related to the share of agriculture in GDP.   |
| Unit                         | [-]   |
| Available dimensions         | total   |
| Methodological explanations  | <p><b>Agriculture Share of Government Expenditures</b> means Central Government Expenditures on Agriculture related to Total Central Government Outlays (according to Classification of Functions of Government - COFOG).</p> <p><b>Agriculture Share of GDP</b> means Agriculture Value Added in relation to gross value added in section Agriculture (i.e. Division A - Agriculture, forestry, fishing and hunting of PKD 2007 , related to value of GDP, according to ESA2010.</p> <p><b>Gross domestic product (GDP)</b> illustrates the final result of the activity of all entities of the national economy (resident producer units - domestic) in a given year. The exact definition and methodology for calculating GDP is contained in the regulation (EU) No 549/2013 of the European Parliament and of the Council of 21 May 2013 on the European system of national and regional accounts in the European Union (ESA 2010).</p> <p><b>An Agriculture Orientation Index (AOI)</b> greater than 1 reflects a higher orientation towards the agriculture sector, which receives a higher share of government spending relative to its contribution to economic value added. An AOI less than 1 reflects a lower orientation to agriculture, while an AOI = 1 reflects neutrality in a government orientation to the agriculture sector.</p> |
