

Statistics for the SDGs - indicators for regional priorities

Name of the indicator	1.A.2 Percentage of children aged up to 17 for whom parents receive family benefits
Sustainable Development Goal	Goal 1. No poverty
Priority	Supporting families with children and childcare
Definition	Percentage share of children up to the age of 17 for whom parents receive child benefit in the total number of children at this age.
Unit	percent
Available dimensions	total
Methodological explanations	Children up to the age of 17 for whom parents receive a family benefit in the form of a family allowance on the basis of the Act of 28 November 2003 on family benefits (Journal of Laws of 2006 No. 139, as amended). The child benefit is intended to partially cover the expenses for maintaining a child. Granting the right to family allowance depends, mainly on meeting the family income criterion.
