

## Statistics for the SDGs - indicators for regional priorities

|                              |                                                                                                                                                                                                                                                                                                                                 |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Name of the indicator        | <b>16.B.1 Detection rate of ascertained crimes by the Police in completed preparatory proceedings</b>                                                                                                                                                                                                                           |
| Sustainable Development Goal | Goal 16. Peace and justice - strong institutions                                                                                                                                                                                                                                                                                |
| Priority                     | Security and development of security management systems that increase the adaptive capacity and reduce threats to the region                                                                                                                                                                                                    |
| Definition                   | Relation of the number of offences detected in a given year (including those detected after being discharged) to the number of offences established in a given year, increased by the number of offences established in the proceedings undertaken and discontinued in previous years due to the non-detection of perpetrators. |
| Unit                         | percent                                                                                                                                                                                                                                                                                                                         |
| Available dimensions         | total                                                                                                                                                                                                                                                                                                                           |
| Methodological explanations  | <p><b>Determined crime</b> - an event that has been confirmed as a crime in the completed pre-trial proceedings.</p> <p><b>Detected crime</b> - an offence established in a completed pre-trial investigation in which at least one suspect has been identified.</p>                                                            |
