

## Statistics for the SDGs - indicators for regional priorities

|                                     |                                                                                                                                                                                                                  |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Name of the indicator</b>        | <b>3.F.2 Share of green areas in the total area</b>                                                                                                                                                              |
| <b>Sustainable Development Goal</b> | Goal 3. Good health and well-being                                                                                                                                                                               |
| <b>Priority</b>                     | Healthy human environment                                                                                                                                                                                        |
| <b>Definition</b>                   | The area of the existing wild dumps containing municipal waste inventoried by municipalities per 100km <sup>2</sup> of total area.                                                                               |
| <b>Unit</b>                         | m <sup>2</sup>                                                                                                                                                                                                   |
| <b>Available dimensions</b>         | total                                                                                                                                                                                                            |
| <b>Methodological explanations</b>  | The area of the existing illegal dumps shows the illegal dumps existing in the commune, ie the area of places not intended for waste storage, on which municipal waste is dumped, inventoried as of December 31. |
| <b>Data source</b>                  | Statistics Poland                                                                                                                                                                                                |
| <b>Data availability</b>            | Annual data, since 2010                                                                                                                                                                                          |
| <b>Notes</b>                        |                                                                                                                                                                                                                  |
