

Statistics for the SDGs - indicators for regional priorities

Name of the indicator	1.G.7 Total number of households awaiting social renting in urban areas
Sustainable Development Goal	Goal 1. No poverty
Priority	Providing housing conditions for the most vulnerable and socially needy groups
Definition	Number of households awaiting the social rental in total urban areas.
Unit	pieces
Available dimensions	total
Methodological explanations	Household means the persons who are or are not related to each other, living together and maintaining themselves jointly (multi-person households) or one person, maintaining himself/herself individually, regardless of whether the individual lives alone or with other persons (one-person household). Family members living together but maintaining themselves separately constitute separate households. Households entitled to premises with social rental from the gmina are households that meet the criteria set out in the provisions of local law (referred to in Article 4 paragraph 2 and Article 21 paragraph 3 of the Act of 21 June 2001 on the protection of tenants' rights, the housing stock of the municipality and amending the Civil Code) and households awaiting the implementation of the eviction sentence from the premises (legal status from 1 May 2019).
