

Statistics for the SDGs - indicators for national priorities

Name of the indicator	12.2.b Number of organic farms
Sustainable Development Goal	Goal 12. Responsible consumption and production
Priority	Development of ecological agriculture
Definition	Number of organic farms (certificated or under conversion).
Unit	thous.
Available dimentions	total
Methodological explanations	Organic farm – an agricultural holding applying organic production methods, which holds a certificate issued by a certification body or is in the process of conversion to organic production methods under the supervision of a certification body. Certification bodies in organic farming are entities which, by decision of the Minister of Agriculture and Rural Development, have been authorised to carry out inspections and to issue and revoke certificates of conformity in the field of organic farming (Act of 25 June 2009 on Organic Farming, Journal of Laws No. 116, item 975).
Data source	Chief Inspectorate of Commercial Quality of Agri-food Products (GIJHARS)
Data availability	Annual data; since 2010
