

## Statistics for the SDGs - global indicators

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Name of the indicator        | 3.a.1 Daily smoking among persons aged 15 years and older                                                                                                                                                                                                                                                                                                                                                                      |
| Sustainable Development Goal | Goal 3. Good health and well-being                                                                                                                                                                                                                                                                                                                                                                                             |
| Target                       | 3.a Strengthen the implementation of the World Health Organization Framework Convention on Tobacco Control in all countries, as appropriate                                                                                                                                                                                                                                                                                    |
| Definition                   | The percentage of persons aged 15 and over who declare that they smoke tobacco daily.                                                                                                                                                                                                                                                                                                                                          |
| Unit                         | percent [%]                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Available dimensions         | total                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Methodological explanations  | <p>The indicator is calculated on the basis of information obtained from the <b>European Health Interview Survey (EHIS)</b>. This study covers persons aged 15 and more in households living in the territory of the country.</p> <p>Data refer to the percentage of persons age of 15 and over who declare smoking tobacco daily in various forms (e.g. cigarettes, cigars, cigarillos, e-cigarettes containing tobacco).</p> |
